Create Your Own Future: How to Master the 12 Critical ...

Build your future by investing in the

present. Take steps that lead to a successful career by being informed and innovative. Make wise financial decisions that will offer stability and security for the future. And take care of yourself and your loved ones by establishing priorities for family, health and joy.

How to Build Your Future: 12 Steps (with Pictures) -

wikiHow

You create your future by being proactive, in contrast to most people - about 90% - who are passive. They simply wish and wait for things to happen, but when you are proactive, you take charge of your life. You are in control; you are the captain of your ship. Achieving success means mastering the probabilities, since success is predictable.

Create Your Own Future Free Summary by Brian Tracy

An easy way to be your own psychic and life creator is to tune into your present reality. Create an objective plan on paper. Look at where you are now. Where do you want to be next?
