Ultrasound and Fury: One Mother's Ordeal - The New York Times

One woman experiencing this, Amy, wrote of her ordeal of being in church on Mother's Day as a childless woman. When mothers were asked to stand, she noted that "Real women stood, empty shells sat." Many women in our lives are not nor will never be mothers -- either because of infertility or because they do not feel called to have children.

A Mother's Ordeal is as much a story as it is a call to action—a call to protect the rights of the unborn, to reflect on the proper role of government, and to be reminded of the suffering faced by modern women in China. While Chi-An's story is a landmark case, the fight against the one child policy is far from over.

The position and dignity of women in our country is in dire straits... it's been so for a while now. Stepping out every day has become an ordeal for most, one that is unavoidable. As a woman, I can't even express how disgusting it is to see the apathy towards rape victims, survivors, and their families.
