Balanced Scorecard Strategy For Dummies by Charles ...

To provide a management system that was better at dealing with today's business pace and to provide business managers with the information they need to make better decisions, Kaplan and Norton developed the Balanced Scorecard. Note that the Balanced Scorecard is a management system — not a measurement system. Yes, measurement is a key aspect of the Balanced Scorecard, but it is much more than just measurement; it is a means to setting and achieving the strategic goals and objectives for ...
