ART 5.1.4.3.1 Perform Battle Damage Assessment

In a famous Sherlock Holmes story, everything hinges on the "dog that didn't bark." The fact that the Department of Defense has not reported any battle damage assessment data (BDA) in nearly three weeks of air war is equally striking, particularly given the daily assessments provided during the Gulf War, Desert Fox, and in Kosovo.

The Lack of Battle Damage Assessment Data | Center for ...

The purpose of battlefield damage assessment and repair (BDAR) is to rapidly These repairs may be temporary and may not restore full performance capability. This manual has 283 pages with descriptions and illustrations of how to quickly return a vehicle to active duty using clever workarounds and quick fixes.

TM 9-2320-356-BD Battlefield Damage Assessment and Repair

Battle damage assessment is primarily an intelligence responsibility with required inputs and coordination from the operators. Battle damage assessment is composed of physical damage assessment, functional damage assessment, and target system assessment.
