Ca18det Auto To Manual Conversion Wiring

I am doing ca18det engine swap with 5spd tranny into a automatic s13. My question is what do I do with the lower harness? Will the Ca18 harness plug right into the fuse box plugs or do I have to reuse the auto plugs and splice them into the ca18 lower harness? And hijacker, I tried sending you a message. I am a noob when it comes to computers.
