Introduction from the NIV Study Bible | Go to Genesis Title. The first phrase in the Hebrew text of 1:1 is bereshith ("in [the] beginning"), which is also the Hebrew title of the book (books in ancient times customarily were named after their first word or two). The English title, Genesis, is Greek in origin and comes from the word *geneseos*, which appears in the pre-Christian Greek ...

Intro to GenZ - In a world of fast-shifting business priorities and unpredictable change, marketers need a new way to think about event strategies. When unexpected challenges arise, agile event programs are designed not just to survive — but to thrive. - Thursday, May 7, 2020 - Location TBD

Intro To GenZ
Genesis is a name borrowed from the Greek. It signifies the original, or generation: fitly is this book so called, for it is a history of originals-the creation of the world, the entrance of sin and death into it, the invention of arts, the rise of nations, and especially the planting of the church, and the state of it in its early days.

Intro. Semantic modification must satisfy a few constraints: must be no cycles in graph (a.) must be language-independent (b.) must allow modifiers to constrain the objects they refer to (c.) must be direction-independent (works for either generation or parsing) (d.) must compose solely through conising, so that unification works. (e.)
