The Guadalupe River is one of the most classic rivers to paddle in all of Texas. Thousands of people float the river every year by raft, canoe, kayak, and tube during the hot summer months. From deep still water to fast whitewater rapids, this cold, spring-fed river will surely provide you with an exciting Texas experience.

Upper and Lower Guadalupe River - Paddling | RootsRated

River Flow: 711 cfs River gauge: 6.61 We put in the Guadalupe River at the Boat Ramp in Riverside Park in Victoria, TX. Nice warm spring morning, mostly overcast. Nice gentle current, generally easy paddling. A few short showers during the trip was our only complaint. The trip only took 1:40 minutes to complete the 4.2 mile course.

Guad is Good; Guad is Great. It's the finest recreational river in Texas, but how long can it last? By Joe Nick Patoski. One late afternoon in mid-February, the day after the first significant snowfall in 19 years, I launched a sit-on-top kayak from the low-water crossing near where I live onto my river, a tributary of the Guadalupe River.

Guad is Good; Guad is Great | TPW magazine | July 2004

We think you'll agree; our stretch of the Guadalupe river offers some of the best views in all of Texas! Rio Guadalupe's 1/4 mile of river frontage provides some of the best rafting and kayaking spots along the Guadalupe River. We offer on-site raft and kayak rentals, so you can enjoy the beautiful Guadalupe River year-round.
