Personal Pensions And The Pensions

Personal pension vs workplace pension. If you're already enrolled in a workplace scheme by a current or former employer, you might be wondering if you need a personal pension on top of it.. Workplace pensions of all kinds can be lucrative due to the additional contributions made by your employer, but many people like to have their own separate provision in the form of a personal pension.

How Personal Pensions Compare to the Alternatives

A personal pension - also called a private pension - is a saving product that you can set up yourself to save money for your retirement. The value when you retire will depend on how much you've paid into it and how your investments perform. How personal pensions work
