The Art of Speed Reading People: How to Size People Up and ...

The key with speed reading is to start reading multiple words at a time instead of just one at a time. To read chunks of text at a time, you need to start developing your peripheral vision. Here's how: Take a book and draw two parallel lines about three inches apart from each other down the middle of the text.

How to Speed Read | The Art of Manliness

Speed reading is the process of rapidly recognizing and absorbing phrases or sentences on a page all at once, rather than identifying individual words. The amount of information that we process seems to be growing by the day, whether it's emails, reports and websites at work, or social media, books and magazines at home.
