### The Sea Around Us. Special Edition for Young Readers ...

The Sea Around Us remains as fresh today as when it first appeared over six decades ago. Carson's genius for evoking the power and primacy of the world's bodies of water, combining the cosmic and the intimate, remains almost unmatched: the newly formed Earth cooling beneath an endlessly overcast sky; the centuries of nonstop rain that created the oceans; giant squids battling sperm whales hundreds of fathoms below the surface; the power of the tides moving 100 billion tons of water daily in ...

By the spring of 1950, the manuscript, now bearing the title The Sea Around Us, was nearly finished. Hoping to foster advance interest in its publication, Rodell began shopping excerpts to magazines.

### Watch Rachel Carson | American Experience | Official Site ...

Published in 1951, The Sea Around Us is one of the most remarkably successful books ever written about the natural world. Rachel Carson's rare ability to combine scientific insight with moving, poetic prose catapulted her book to first place on The New York Times best-seller list, where it enjoyed wide attention for thirty-one consecutive weeks.

### The Sea Around Us by Rachel Carson - Goodreads

The Sea Around Us is a prize-winning and best-selling book by the American marine biologist Rachel Carson, first published as a whole by Oxford University Press in 1951. It reveals the science and poetry of the sea while ranging from its primeval beginnings to the latest scientific probings. Often described as "poetic," it was Carson's second published book and the one that launched her into the public eye and a second career as a writer and conservationist; in retrospect it is counted the secon

### The Sea Around Us - Wikipedia

The Sea Around Us. The Sea Around Us became an overnight best-seller in 1951 and made Rachel Carson the voice of public science in America, an internationally recognized authority on the oceans, and established her reputation as a nature writer of first rank. It remained on the New York Times best-seller list for a record 86 weeks, and won the ...

### Rachel Carson, Sea Around Us

I understand that the edition of Carson's 'The Sea Around Us' for young readers was edited from the original. However, I am unaware of the extent of the changes. That said, the book maintains the strong sense of

wonder about the ocean that I expected based on others' reviews of the original.
